

IN MEMORY OF

Carl Antonius Speet

Beloved Husband of Christina
Johanna Boom

He was born at Hengelo, Holland on 8th June, 1908. After a long illness and strengthened with the sacraments of the Church, he died at Orange, N.S.W., Australia on the 16th December, 1966.

Carl's love for those entrusted to him was such, that he left his country to provide better for them. He was supported by his faithful wife and true to their marriage vows, they shared their joys and difficulties.

Hardship did not separate them, but rather drew them together in a bond of true Christian love. There was abundant evidence of this during his long illness.

"Dear God let him out of love for you, not carry the cross, but take him straight to your heart in heaven. Dear wife, pain and sorrow we both dealt with, you know I often prayed while my pain was so unbearable. I thank you for all the love and support you gave me during my most difficult hours. To you my loving children, remember your father and be a source of comfort to your mother and lead a true Christian life which we taught you."

HOLY MARY, PRAY FOR HIM
AND FOR US

MAY HE REST IN PEACE
